IMPRISONMENT

As to count 2 of the indictment, defendant is committed to the custody of the Bureau of Prisons for imprisonment for a term of 137 months.

I recommend that defendant be afforded the opportunity to participate in substance abuse education and treatment programs while confined and that he be afforded prerelease placement in a residential re-entry center with work release privileges. The term of imprisonment is to run consecutively to the sentence imposed in the Circuit Court for Dane County in Case 06-CF-341 on January 11, 2007, because the sentence imposed in that case was for behavior separate from the behavior resulting in the instant offense.

RETURN

I have executed this judgment as follows:

Defendant delivered on _____ to _____
at _____, with a certified copy of this judgment.

By _____ UNITED STATES MARSHAL
Deputy Marshal

SUPERVISED RELEASE

The term of imprisonment is to be followed by a five-year term of supervised release.

Defendant shall report to the probation office in the district to which defendant is released within 72 hours of release from the custody of the Bureau of Prisons.

Defendant shall not commit another federal, state, or local crime.

Defendant shall not illegally possess a controlled substance.

If defendant has been convicted of a felony, defendant shall not possess a firearm, destructive device, or other dangerous weapon while on supervised release.

Defendant shall cooperate with the collection of DNA by the U.S. Justice Department and/or the U.S. Probation and Pretrial Services Office as required by Public Law 108-405.

If this judgment imposes a fine or a restitution obligation, it shall be a condition of supervised release that defendant pay any such fine or restitution that remains unpaid at the commencement of the term of supervised release in accordance with the Schedule of Payments set forth in the Financial Penalties sheet of this judgment.

Defendant shall comply with the standard conditions that have been adopted by this court (set forth on the next page).

In light of the nature of the offense and defendant's history of substance abuse, the following special conditions are appropriate. Defendant is to:

1. Register with local law enforcement agencies and the state attorney general, as directed by the supervising U.S. probation officer;
2. Provide the supervising U.S. probation officer any and all requested financial information;
3. Refrain from incurring new credit charges, opening additional lines of credit or opening other financial accounts without the prior approval of the supervising U.S. probation officer;
4. File all tax returns in a timely manner and provide copies of all federal and state income tax returns to the supervising U.S. probation officer. Defendant is to apply 100 percent of his yearly federal and state tax refunds toward payment of restitution;
5. Submit his person, property, residence, office or vehicle to a search conducted by a U.S. probation officer at a reasonable time and in a reasonable manner, whenever the probation officer has reasonable suspicion of contraband or of the violation of a condition of release; failure to submit to a search may be a ground for revocation; defendant shall warn any other residents that the premises he is occupying may be subject to searches pursuant to this condition; and
6. Abstain from the use of alcohol and illegal drugs and from association with drug users and sellers and participate in substance abuse treatment. Defendant shall submit to drug testing beginning within 15 days of his release and 60 drug tests annually thereafter. The probation office may utilize the Administrative Office of the U.S. Courts' phased collection process.

STANDARD CONDITIONS OF SUPERVISION

- 8) Defendant shall not frequent places where controlled substances are illegally sold, used, distributed, or administered;
